A Charity Gaming seminar will be held on September 28, 2001, in Plymouth, Indiana, by the Indiana Department of Revenue to educate not-for-profit organizations that either currently conduct, or would like to conduct, charity gaming activities. Applicable laws and regulations affecting these activities will be covered.

Legal charity gaming activities may include bingo; card, dice, roulette wheel and spindle games; the sale of pull tabs, punchboards and tip boards; door prize drawings; raffles and festivals, depending on the type of license involved.

Various forms will be covered, including the Application to File as a Not-For-Profit Organization (Form IT-35A), the Indiana Charity Gaming Qualification Application (Form CG1); the Indiana Department of Revenue Annual Bingo License Application For First Time Applicants (Form CG-2); and the Indiana Department of Revenue Single Event License Application (Form CG-3). Other reporting forms, as well as procedural and legislative changes since last year's seminars will be discussed.

The seminar will be conducted at the Ramada Inn, 2550 N. Michigan Street at U.S. 30 in Plymouth from 9:00 A.M. to 4:00 P.M. Registration will begin at 8:30 A.M. No reservations are required; however attendees may want to arrive early, since seating may be limited.

This is the fourth of six sessions to be held around the state. Additional training seminars will also be held October 5 in Fort Wayne and October 18 in Madison.
